

# Join other CCC adults on a mission trip to the **Dominican Republic.**

---

## CCC HAS A BRAND NEW GLOBAL-MISSIONS PARTNER SERVING THE NEEDS OF PEOPLE IN THE DOMINICAN REPUBLIC.

With a purpose of sharing the gospel message, Mission 2535 uses many innovative methods and entrepreneurial thinking to first meet the practical needs of people in the DR. An interesting by-product of their entrepreneurial efforts are resources used to build churches.

We're encouraging everyone at CCC to consider jumping in to be part of creating an exciting, impactful, long-term relationship with this ministry that will provide hands-on opportunities for everyone in our congregation. We'll engage in a variety of ministry opportunities and create life-changing relationships with people in a foreign country who need to hear the Gospel in addition to those living out their mission to serve the needs of these people.

**RICK AND TAMMIE ROMANO**, from the northwest US and Canada, are long-term missionaries who have raised their family while serving the people of Mexico and now the Dominican Republic. Rick and Tammi have pioneered a unique and sustainable approach to foreign missions by focusing on 4 pillars for creating sustainable community, which will impact lives for generations. Clean water, sustainable food, dignified healthcare and vocational training are the four pillars of sustainable community incorporated by Mission 2535. By satisfying these practical needs, receptiveness to hear and share the Gospel message is increased, leading to opportunities for building churches and homes and ministering to people through a variety of methods.

## WHAT WILL WE BE DOING?

We will likely serve people at the local dump, in recovery and senior living facilities, children in an orphanage, in the local churches or on the baseball field. Future trips could include home and church construction, VBS, or mobile medical clinics. Their growing ministry also has additional facility and infrastructure needs to handle increasing numbers of short-term mission trips and a growing ministry. **The variety of gifts and skills needed are endless.** That means you are needed and fit. Our initial trips will likely address a variety of needs, with opportunities in the future for more specialized trips.
